

Ushers Needed for High Holy Days at WHC

The Temple needs your help as ushers for the upcoming High Holy Day Services. Our usher corps acts as WHC ambassadors by greeting congregants and welcoming everyone to the Temple. They help maintain the appropriate decorum and sanctity of the holy days both in and outside of the sanctuary. And very importantly, ushers help ensure that everyone is safe and that movement in and out of services and around the building is orderly. While the Temple does employ professional security officers for the holidays, our ushers also assist in contributing to the overall security of the synagogue.

We have one or two meetings prior to the holidays to review High Holy Day policies as well as safety and security procedures. Congregants can usher at as many or as few services as they desire. If you can help, please complete the Usher Information form on the back of this flyer and return it to me at Temple. I am always available if you have any questions.

In advance, thank you for your help.

Regards,

Steven Jacober
Executive Director
Washington Hebrew Congregation

USHER INFORMATION

NAME: (Please print) _____
